Rental Apartment Buildings Participating in the Multifamily Tax Exemption (MFTE), Mandatory Housing Affordability (MHA), and Incentive Zoning (IZ) Programs

Updated 10/20/2021

The following represents a comprehensive list of mixed income privately owned rental properties currently participating in the MFTE and Incentive Zoning (IZ) and Mandatory Housing Affordability (MHA) programs. Contact the property directly for more information on current vacancies and rental policies. The maximum income a household may earn for a unit is expressed as a % of Area Median Income (%AMI). To determine the maximum allowable income for a unit, take your household size (including children) and the %AMI of the unit you are interested in, and compare to the most current MFTE Income and Rent Limits Chart (linked below). To qualify, your household's gross (pre-tax) earnings for the 12 months after move-in must be below this amount. The AMI% for the unit is also used to determine maximum rents. For example, a 65%AMI studio will have a 65%AMI income and rent maximum regardless of the actual income earned by the household.

Application Process: When an MFTE/IZ unit becomes available, applicants will work directly with leasing staff at the property to complete the MFTE/IZ Resident Eligiblity Application (REA). Adult applicants will enter all anticipated household income into the REA anticipated for the 12 month period after the expected move-in date. Once the REA is complete, the property will obtain information on gross income from employment (including tips, bonuses, commissions, etc.), gift income received by the household, income earned from assets (dividends, interest, distributions,etc.) and any other income source available to the household. This may take up to two weeks and may not be waived for any reason. Student financial assistance in the form of loans, grants, work study, GI Bill, etc. are excluded from the calculation. The projected income of the household must be below the maximum income of the unit to qualify for the programs. If a household is determined to be ineligible, there are no rights to rent the income restricted unit at that time.
