Goal
There are several items that we hope to address in the renovation of this wonderful park. Below are the key elements that went into the design phase.

- Replace out-of-code play equipment
- Address crime and safety issues
- Clear overgrown vegetation
- Enhance landscape
- Provide more adequate seating
- Create accessible paths for wheelchairs and strollers.
- Create a safe beautiful place for all generations of our community to enjoy.

Project Schedule

Initial Design Phase - Feb '05
Fund Raising - Spring/Summer '05
Construction - Complete Summer '06

Dahl Skatespot Design Workshops

Boarders 4 Parks (B4P) is moving forward with designing a skatespot to be built at Dahl Playfield! We have hired the landscape architecture and skatepark design team of Robert W. Droll and Jon Ortgiesen to lead us through the design process. However, your input and support are essential to the design. We will hold three Design Workshops at which we will decide what skate and other features we want at the Dahl Skatespot. Our goal is to create a skatespot suitable for beginning and intermediate skaters, while being sensitive to the needs of the community.

All of the following meetings will be held from 6:30 pm to 8:30 pm at Eckstein Middle School, Room 121. Eckstein Middle School is located at 3003 N.E. 75th Street.

Wednesday, January 18
