

Ballard and West Seattle Light Rail Expansion: The Basics

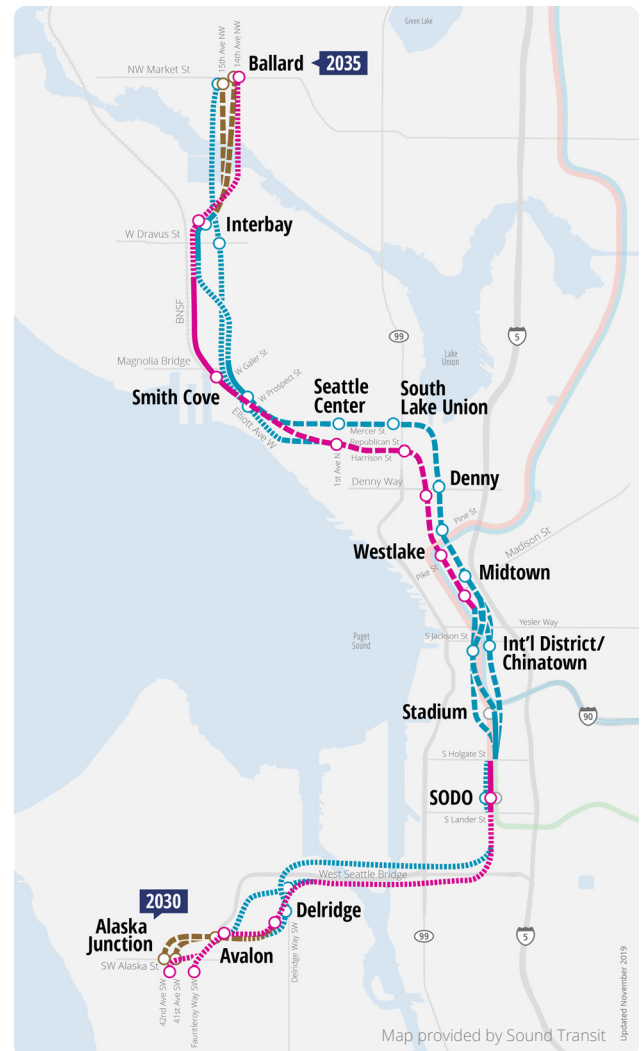

● Gather your community virtually & learn more!

What is a Virtual Meeting in a Box?

It's a set of online resources that allow a community group to inform themselves about a topic. This allows you and your community to stay informed — even amid social distancing requirements of COVID-19.

Light Rail is Expanding to West Seattle and Ballard

Sound Transit is building 14 new light rail stations with service to West Seattle in 2030 and Ballard in 2035. The new light rail lines and transit tunnel under Downtown, South Lake Union, and Seattle Center/Uptown is the largest transit investment in our city's history.

THE VIRTUAL MEETING IN A BOX INCLUDES:

- [Project overview](#) (PDF)
- [Narrated slideshow overview](#) of the West Seattle and Ballard expansion project (English only video)
- [Resources for hosting](#) virtual community meetings

(All resources available in [English](#), [Spanish](#), [Traditional Chinese](#), [Simplified Chinese](#), [Vietnamese](#), [Korean](#), [Somali](#) and [Tagalog](#) unless otherwise noted.)
