

# MADRONA PARK BEACH PLAY AREA RENOVATION PROJECT WE NEED YOUR INPUT!

Seattle Park and Recreation is renovating the existing sand/water play area at Madrona Beach. Please join Seattle Parks and Recreation staff to discuss ideas for the nature-oriented beach play area design. The project provides a unique opportunity to restore the lakeside beach play features and to improve access by meeting the standards of the Americans with Disabilities Act (ADA).

We are planning two community meetings. The first meeting is an opportunity for the community to learn about the project and provide input on natural beach play themes. The second meeting is an opportunity to review the preferred design for the project and learn the timeline for construction.

WE ARE HOSTING TWO MEETINGS TO INFORM YOU ABOUT THE PROJECT AND GATHER YOUR INPUT.
