Sound Transit builds and operates regional transit service throughout the urban areas of Pierce, King and Snohomish Counties. Alex and Donna will discuss Connect 2020—a project connecting the Eastside to existing Link light rail in downtown Seattle, with a special emphasis on accessibility.

Want to hear from these and other presenters? Subscribe to "[Aging King County](#)" on YouTube and look for *Age Friendly Minute* episodes about Coffee Hours and other events!

For questions about accessibility or to request an accommodation, contact Lenny Orlov (206-386-1521 or agefriendly@seattle.gov) at least one week prior to the event.

Age Friendly Seattle Coffee Hours are held on the third Thursday of every month at the Central Building and on other dates in Seattle neighborhoods.

The events bring community elders closer to City officials to explore topics of interest. Presentations often include cutting edge information about healthy aging, legal and planning issues, and more.

Participants learn about City programs and services, and officials hear from their constituents.

Coffee and refreshments are served.
