TO THE HONORABLE CITY COUNCIL OF THE
CITY OF SEATTLE

The Seattle Federation of Women's Clubs beg leave to ask the favorable attention of your honorable body, to the imperative and urgent importance of the further and additional construction of suitably located comfort stations - to accommodate the several street railway transfer points, and the more congested districts within the business radius of our rapidly increasing population. It is more urgent at this time, by reason of the divers cares and the multiplicity of tasks that each of the coming months may impose upon all, in the effort of making adequate preparation for the tourist and exposition travel of 1909. And your petitioners will ever pray.

Dated: June 27th, 1908

Mrs. E. P. Harper Pres.
Mrs. M. J. Lovelace Sect.
