Q12 Meeting Themes / What we heard: Record some of what you heard at the event. Be clear about whether the theme is an individual point of view or an observation / summary from a group. Limit this to 5-7 themes. For more guidance, check out these tips on how to summarize.

- Have Sound Transit and the City gone back to Othello, Rainier Beach to find out "how did it help, how did it hurt?" for their processes and the outcomes?
 - Suggestion: Presenters from ST and COS should reflect the community where they are presenting, especially majority non-white communities.
 - Suggestion: How about a drop box at community centers and/or libraries with information about WSBLE and a box for folks to write and submit comments.
 - Women and gender non-conforming folks often feel less (or not) safe on public transit. How will this process support those folks and honor/respond to the need to be and feel safe?
 - Please submit the ORCA card letter that the SRC wrote as part of comment.
 - What are the ways that the City and Sound Transit can ensure that Women and Minority owned businesses are getting contracts do work on planning, design and building this system?
 - You are engaging property owners individually. How are renters included in that plan in a comprehensive and effective way?
