

FACT SHEET

# AURORA AVE N CORRIDOR IMPROVEMENTS

March 2017

## PROJECT BACKGROUND

In 2016, the Aurora Ave N Corridor Improvements project was one of 12 selected by the Levy to Move Seattle Oversight Committee to be funded through the Seattle Department of Transportation's (SDOT) Neighborhood Street Fund (NSF) program. The NSF program funds projects requested by the community. This project includes improving crossings at Aurora Ave N and N 92nd St, and using art to help create an identity for the Aurora-Licton Urban Village between N 85th St and N 105th St.

Aurora Ave N is heavily trafficked and difficult to cross. This project is crucial to improving safety for students walking and biking to and from nearby Robert Eagle Staff Middle School, Cascadia Elementary School and Licton Springs K-8.

## PROJECT ELEMENTS

- A new signal on Aurora Ave N at N 92nd St for people walking and biking only
- Modified curb ramps as needed at Aurora Ave N and N 92nd St
- Artwork and other design elements in the Aurora-Licton Urban Village

## PROJECT BENEFITS

- Improved safety for people crossing Aurora Ave N at N 92nd St
- Visual identity for the Aurora-Licton Urban Village

## EARLY DESIGN OPTION

## SCHEDULE

## FUNDING

Funding comes from the 2015 voter-approved, nine-year Levy to Move Seattle, which will improve safety for all travelers, maintain streets and bridges, and invest in reliable, affordable travel options for a growing city. The levy includes \$24 million to continue the Neighborhood Street Fund program over the nine years.

SDOT, in partnership with the Seattle Office of Arts & Culture, will hire an artist in spring 2017 to develop the artwork and design elements for Aurora Ave N between N 85th St and N 105th St.

## STAY INVOLVED!

We are committed to keeping you informed throughout the life of the project. Feel free to contact us, and be on the lookout for more information.
