

STAGING NOTICE

July, 2018

Project staging area in public right of way as soon as July 9

PROJECT STAGING AREA

As part of construction, our crews will stage materials, equipment, and tools in the project area, so they can efficiently build the new sidewalk. The staging area will be located in the public right of way near your home and we want you to be aware of what to expect.

The staging area will be on the east side of 30th Ave NE, south of 140th and crews will cone the area and place “No Parking” signs. This staging won’t impact access to your home or driveway.

WHAT TO EXPECT DURING CONSTRUCTION

- Construction materials, equipment, and tools in the public right of way on the east side of 30th, south of 140th
- Access to businesses and homes will be maintained at all times
- Construction activity on 30th from 130th-137th, see attached flyer for more information

PROJECT MAP

Thank you for your patience during construction!
